

10<sup>th</sup> International Scientific Conference

## RURAL DEVELOPMENT 2021

Challenges for Sustainable Bioeconomy and Climate Change

21-23 September, 2021

For the grand - 10th time organized - International Scientific conference "RURAL DEVELOPMENT 2021" invites all interested to participate into interdisciplinary scientific discussion, present their new ideas for rural development processes in the context of Bioeconomy, Climate Change, Innovations and Social Progress. Both participation ways - **in person and online** - are appreciated and supported by organisers. We will have discussions in four different scientific fields and an interesting cultural program, so we invite you to get acquainted with the agenda below:

### TUESDAY, 21<sup>ST</sup>

9.00-13.00	Plenary Session
14.00-17.00	Business and Science Forum "Green deal: the way improving the well-being of society and business"
17.00-17.45	Meeting with researchers
19.00	Gala Dinner

### WEDNESDAY, 22<sup>ND</sup>

8.30-13.00	Parallel Sessions Section 1. Agro-innovations and Food Technologies Section 2. Biosystems Engineering and Environment Integrity Section 3. Multifunctional Approach for Sustainable Use of Bio-Resources Section 4. Social Research for Sustainable Bioeconomy and Climate Change
14.00-15.30	Final Plenary Session
16.00-18.00	Kaunas City Tour

### THURSDAY, 23<sup>RD</sup>

10.00-16.00	Cultural Tour or visit to exhibition "Ką pasėsi... 2021" Online registration has already started - <b>click here</b> - to registrate!
-------------	--

Finally, you can submission your scientific **papers** online for the Proceedings of the 10<sup>th</sup> International Scientific conference "Rural Development 2021". The Proceedings will be referred in database of Clarivate Analytics (Web of Science), EBSCO (Academic Search Complete).

We will be waiting for your registration, submitting articles, also writing us **inquiries**.

Let's meet, in person or online, in our Agriculture Academy of Vytautas Magnus University in Kaunas, Lithuania
