

NEW CALL FOR ERASMUS MUNDUS SCHOLARSHIPS (GRANTS) (2022-2024)

Erasmus Mundus Joint Master Degree in Work, Organizational, and Personnel Psychology

<https://www.erasmuswop.org>

General description

The Erasmus Mundus Joint Master Degree in Work, Organizational, and Personnel Psychology started in 2006 and aims to provide excellent experts in WOP Psychology for an increasingly globalized socio-economic context. It is organized by the international WOP-P Consortium, composed of the University of Valencia (Spain), the University of Barcelona (Spain), the University of Bologna (Italy), and the University of Coimbra (Portugal), which aims at guaranteeing an education that encompasses the three fields of the discipline (i.e. work, organizational, and personnel psychology). It lasts for two years and integrates science and practice in a mutual interaction, addressing both the emerging and the traditional WOP-P topics and reinforcing multicultural skills and competencies.

Mobility period

As a general rule, students must study at least two periods of 30 ECTS credits in two universities from two different European countries.

Winter School and the Practicum

Students are also going to do a WOP-related practicum wherever they want in the world and attend the "Robert Roe & Bernhard Wilpert" Winter School! In this last one, students have the privilege to actively attend classes held by extremely well-prepared professors coming from all around Europe and USA.

Employability

The employability rate of the WOP-P Master students is extremely high! (Indeed, two employability surveys were conducted among the previous WOP-P students, one in 2015-2016 (n = 112) and a follow-up in 2019 (n = 159), and it resulted that more than 90% of them are currently employed or self-employed. Moreover, more than the 80% of them spent less than 6 months after graduation to find their first job, either as a scientist or as a practitioner (see <https://www.erasmuswop.org/employability/>).

How to apply and deadline

Visit the WOP-P master website to check the application requirements and procedure on <https://www.erasmuswop.org/apply-now/>.

Don't wait for applying to the call for the next academic year! (deadline for application: 10th January 2022).
